

2018 NUTCRACKER DVD ORDER FORM

DFW Video has been contracted to video two performances of The Nutcracker in Irving. They will film the Saturday matinee show (Cast A) and the Saturday evening show (Cast B) with a wide-angle camera as well as a close-up camera. This will be a wonderful memento of your child's performance, and a great learning tool for your child to watch all of the dances that they may have missed while waiting backstage.

*Prices for the DVD's are \$40.00 each, for BluRay \$50.00 each. Please return the attached order form at your earliest convenience with a check made out to the Ballet Ensemble of Texas. **Orders must be received by the final performance.** Orders will be delivered to the office by Saturday, December 15.*
