
2019 SPRING PERFORMANCE DVDS & BLU-RAYS

DFW Video will be filming our Spring Performances. They will be recording each performance with two cameras, one with a wide angle, and one close-up to capture each child. While you will be able to video your own child exclusively during the rehearsal on stage, there will **NOT BE ANY INDIVIDUAL RECORDING ALLOWED DURING PERFORMANCES**. Your bright screen is very distracting to those around you. Please be considerate and follow this request.

Please return this form, along with payment by your **child's auditorium rehearsal** (in the past we have taken these forms at check-in on the day of the performances, but we would prefer not to do that this year because it prolongs the check-in process). Please note that if your child is in more than one performance that you will need to order more than one DVD/Blu-Ray to see all of his/her dances.

They will be available for pick up after June 19 at the Ballet Academy Office.
