WELCOME TO BALLET ACADEMY OF TEXAS

Celebrating its twenty-eighth year, the Ballet Academy of Texas' goal has been to provide quality, professional dance instruction for all ages. The primary focus is on classical ballet technique which provides a strong foundation for all other dance forms. Our goal for the recreational dancer is to gain self-confidence through the physical and mental accomplishments that come from positive dance instruction. The professional background of the directors and staff will provide the more serious student with the knowledge and training necessary to prepare for a career in dance, as well as additional performing opportunities with its resident ballet company, the Ballet Ensemble of Texas.

Ballet Academy of Texas trains dancers who are recognized by prestigious pre-professional training programs across the country. In addition to performing on Broadway, our professional alumni also dance with companies around the world, including Texas Ballet Theater, Pacific Northwest Ballet, New York City Ballet, Colorado Ballet, Cleveland Ballet, Singapore Ballet, Ohio Contemporary Ballet, Ballet West, Ballet Arkansas, First State Ballet, Sarasota Ballet, Palm Beach Ballet and four former BAT dancers currently performing with American Ballet Theatre.

The Academy is an 11,000-square foot facility consisting of four large studios, all with sprung Marley flooring, viewing areas into all the studios, and two large waiting areas. It is conveniently located in the center of Coppell near the corner of Sandy Lake and Denton Tap roads.

THE DIRECTOR

TAMMIE REINSCH is a Texas native and has been dancing since the age of three. Her training was received at Lewisville Dance Academy where Lisa Slagle began teaching in Tammie's high school years. She is a classically trained dancer in all forms of dance and gravitated towards jazz, tap, modern and contemporary. Tammie was unable to pursue a professional career due to a knee injury but recognizes this was not the path chosen for her.

When she joined Ballet Academy of Texas in 1999, she worked closely with Lisa Slagle to shape the jazz, tap, modern and contemporary program to reflect what the students were learning in their ballet level. She sets a positive atmosphere for all her classes. You will frequently hear her say "Just keep swimming!" and "Smile and move your feet!" As the dancers mature, she loves to teach the skill of improvisation as it cultivates artistry. She feels that each student has something to learn and something to offer.

Tammie has been a resident choreographer for the Ballet Ensemble of Texas since its formation in 2001. Her choreography includes 'The Race', 'No Pressure', 'Jumpin Jack', 'Anzzziety', 'Generation #', 'In a Nutshell', and 'Truth'. 'Jumpin Jack' was reviewed as "smart and snappy". Her work 'Anzzziety' was chosen to be performed at the Regional Dance America and her "Generation #" was performed across the metroplex and received the Outstanding Choreography Award from Youth America Grand Prix in 2018. 'Unity', which she created for BET's 2019 Celebration of Dance review read "Tammie is known for her exceptionally creative choreography. Ms. Reinsch showcases the dancers, unity as a group and everything it represents: overall camaraderie, respect, trust, and what it means to be an artist." Since 2003, The Dance Council of North Texas has awarded many scholarships to our Ballet Academy students based on her solo contemporary work. Her students have also received many awards and recognition with her choreography and coaching.

She is honored to have been part of the training of students who have decided to pursue dance professionally as well as those who will forever have dance as part of their lives. She cherishes the continued relationships with her students upon graduation from the school. It's truly a beautiful gift to be a part of their lives.

ARTISTIC DIRECTOR OF BALLET ENSEMBLE OF TEXAS

LINDSEY YOE DANIEL brings more than two decades of experience to her leadership role. Her journey with Ballet Ensemble of Texas began in 2001, when she joined the company as one of its original dancers, appearing in numerous principal and featured roles. After performing as a leading artist with the company through 2007, she returned in a leadership capacity, serving as Ballet Master from 2015 to 2026 before being appointed Artistic Director.

During her tenure as Ballet Master, Lindsey played a pivotal role in the staging, rehearsal, and coaching of Ballet Ensemble of Texas's extensive repertoire. She collaborated closely with dancers to uphold the artistic vision and technical precision of both classical and contemporary works, providing individualized coaching that facilitated the development of confident and expressive artists. Throughout her years as Ballet Master, she contributed to the production of *The Nutcracker* each season and coached dancers in full-length ballets and mixed-repertory performances, including *Cinderella*, *Dracula*, *Gaîté Parisienne*, *Alice in Wonderland*, *Les Sylphides*, *A Midsummer Night's Dream*, *The Firebird*, *Swan Lake*, *Napoli*, *Coppélia*, *The Sleeping Beauty*, and *Paquita*, as well as numerous original and guest-choreographed works. Additionally, she has mentored and coached numerous award-winning dancers who have earned recognition at prestigious international ballet competitions, including Youth America Grand Prix (YAGP), ADC | IBC, and Universal Ballet Competition (UBC). Her meticulous attention to detail, unwavering commitment to excellence, and passion for mentoring young artists have significantly contributed to Ballet Ensemble of Texas's reputation for delivering outstanding pre-professional performances. Continuing her artistic contributions beyond the stage, Lindsey choreographed *Elysian* for the Stars of Tomorrow Tour in 2023 and *Café Por La Noche* for the 2026 tour.

Committed to excellence in dance education, Lindsey is an American Ballet Theatre® National Training Curriculum Certified Teacher and is also certified in Progressing Ballet Technique (PBT). She has been teaching since 2010 and is proud to serve on the faculty of Ballet Academy of Texas.

She earned a Bachelor of Fine Arts in Dance and Psychology, with an emphasis in Family Studies, from the University of North Texas and also attended the University of Oklahoma on a collegiate dance scholarship. Lindsey enjoyed a professional performing career with The Dallas Opera, Texas Dance Theatre, Larwell Productions, and Dallas Black Dance Theatre II, where she also served as Assistant Director under Nycole Ray and performed as a soloist. Throughout her career, she has had the privilege of working with esteemed artists and choreographers, including Gordon Pierce Schmidt, Dwight Rhoden, Desmond Richardson, Jeff Rodgers, Anna-Marie Holmes, and Susan Trevino.

Lindsey began her classical ballet training at Ballet Academy of Texas, where her lifelong passion for dance first flourished. Her repertoire with Ballet Ensemble of Texas includes the Dew Drop Fairy in *The Nutcracker*, Pigtail Girl in *Graduation Ball*, Soloist in *Paquita*, Demi-Soloist in Fernando Bujones' *Slavonic Dances and Splendid Gershwin*, Teacher in *American Portrait*, and Swanilda's Friend in *Coppélia*. Throughout her training, she had the privilege of studying under distinguished master teachers, including Lisa Slagle, Fernando Bujones, George de la Peña, John Magnus, Rosine Bena, Judy Rice, Anna Donovan, Glenda Brown, Elizabeth Gillaspay, Donn Edwards, and Mary Margaret Holt. She attended summer intensives at Cincinnati Ballet, Tulsa Ballet, and The Craft of Choreography Project, all on full scholarship. In 2004 and 2005, Lindsey was also accepted into the year-round Trainee Program at The Joffrey Ballet School by Gerald Arpino. Among her most treasured childhood experiences was performing annually with the Moscow Ballet in *The Nutcracker* from ages 8 through 11, an opportunity that helped shape her love for the performing arts.

Lindsey is featured in the book *The Nutcracker Backstage: The Story and the Magic* by Angela Whitehill and William Noble, with a foreword by Wendy Whelan, former principal dancer with New York City Ballet.

Outside the studio, Lindsey treasures time with her husband and their three daughters, whose love and encouragement inspire her both personally and professionally. She is deeply grateful to her parents for their unwavering belief in her and their steadfast support throughout her lifelong journey in ballet.

Above all, as an educator and artistic leader, Lindsey is committed to developing dancers who excel in both technical precision and artistic expression. She believes every student deserves to feel seen, encouraged, and inspired, fostering an environment where discipline, confidence, creativity, and authenticity can thrive. Her teaching emphasizes strong classical technique, musicality, expressive artistry, and the importance of dancing with both purpose and heart. She strives to know each dancer personally, believing that meaningful relationships and a supportive community are the foundation of artistic growth and lifelong confidence.

As Artistic Director, Lindsey is deeply honored to lead Ballet Ensemble of Texas into its next chapter. Having experienced the company first as a young dancer, then as a leading artist and Ballet Master, she understands the profound impact an organization like BET can have on a young person's life. Her vision is to build upon that legacy with a renewed mission: to provide exceptional training, inspire artistic excellence, create transformative performance experiences, and foster a community where every dancer feels a sense of belonging and purpose. Lindsey hopes to ensure that BET remains a place where young artists not only learn to dance, but discover confidence, courage, creativity, and the belief that they are capable of something extraordinary. She is excited to honor where BET has been, embrace where it is going, and help shape a future worthy of the dancers who will come next.

Initiated to provide advanced dancers aspiring to a career in ballet an intensive training program in the tradition of the leading professional ballet company programs in the US. Ballet Technique is offered each day for two hours. Girls are given a one-hour pointe class with emphasis on mastering the classical vocabulary, strength, foot articulation, musicality, and artistry.

Much of the work is geared to those steps and combinations which are a staple in variations in addition to general work from the classical repertoire the students will encounter as they progress in their training and hopefully later on in the profession. The same is to be said for the technique classes. Personal attention is given to each students' level and the student is continually challenged to the highest degree of technical and artistic demands expected in the profession.

Students must have achieved Level 6 to be considered for placement in the Professional Prep Program. These classes are to be taken in addition to evening classes.

A ballet technique class must be taken before Pas de Deux classes.

Ballet Academy of Texas is known for its thriving program for male dancers. Through the years we have nurtured boys and men with their unique needs in the world of dance. Male dancers will take class alongside female dancers and advance through the levels while learning solid ballet technique. Once they advance to Level 3 they begin taking a class especially geared toward learning specific steps for the male dancer. Male conditioning and strength training is part of this process.

Pas de Deux class is also offered to learn the art of partnering. Ballet requires dedication and commitment, just like baseball or football. In addition, ballet is physically and mentally demanding—it helps develop balance, strength, and discipline. In addition to the tenacity and grit, you must appear effortless and be a selfless gentleman to your partner. It requires musicality, poise, and self-confidence to surpass the physical demands, conveying a compelling story to the audience with your technique. Pas class will be offered as a Workshop throughout the year.

The Men's Division and will help your male dancer reach their goals with many special opportunities through their dance training.
